

PRAIRIE DEBUT

PERFORMANCE REQUIREMENTS

La Fiammata Duo (Artists)

VENUE TEMPERATURE: Both the performance venue and the dressing rooms must be at a comfortable room temperature (approx 20 – 24 degrees Celsius) for both rehearsal and performance.

REHEARSAL: The Artists may require rehearsal time in the performance hall the day of the concert.

PIANO: A piano (preferably concert grand) in good condition and tuned the day of the performance at A=442 Hz. The artists request that this piano be made available to them for rehearsal during the day of the performance. Two adjustable piano benches will also be required.

SOUND: Two microphones for speaking, wireless preferred

LIGHTING: At the rehearsal, the artists would like to meet with the performance hall manager or technician to discuss the sound and lighting for the concert.

TRANSPORTATION: The artists will arrive by personal car and a map marking the performance hall will be required.

DRESSING ROOMS: A dressing room near the stage area for the use by the artists would be appreciated. The room should be equipped with hot and cold running water, toilet, chairs and mirrors.

HOSPITALITY: Presenter to provide bottled water and some light snacks.
