#### **PROGRAM DESCRIPTION**

In search for a musical identity that embraces all of Canada, the duo **meagan&amy** presents connections between Canadian music and the traditional canon of classical repertoire. Selected as winners of the "Road Trip! A Pan-Canadian Partnership" recital tour offered by Debut Atlantic, Jeunesses Musicales Canada, and Prairie Debut, the duo will explore with Canadian audiences in all ten provinces and all three territories what it is that makes Canadian music "Canadian". Their program pairs Canadian composers such as Jocelyn Morlock, André Mathieu and Saskatchewan's own David McIntyre with well-known icons that influenced these contemporary composers including Mozart, Fauré and Shostakovich. This is an opportunity to discover a shared musical heritage that, while inspired by composers of centuries past, has evolved its own distinct Canadian qualities. The tour will not only be a partnership of the touring networks, but a partnership of composers, and a partnership of artistic excellence.
